Objective

I am a dynamic sales person committed to providing consistently high levels of customer service, with a knack for quickly building rapport with clients. Along with experience in the retail sector, I possess an entrepreneurial drive and enthusiasm for success, both for myself and those I work with. My goal is to join a team of customer service focused individuals and to contribute to the growth and success of the company I work for. I am available for full time work starting immediately with open availability.

Education

Bachelor of Science in Software Engineering

University of Calgary

2022 - 2025

In Progress - Taking a year off

Robert Thirsk High School

Calgary Alberta

2019-2022
